# BECOMING A TRUSTEE WITH HAPBWA FOUNDATION

At the HAPBWA Foundation, we are thrilled to announce the initiation of our new trustee program, an exciting development in our ongoing commitment to the empowerment and advancement of Hispanic professional women. Since our inception in 2010, we have proudly served the women of Central Florida, offering support, education, and resources.

We see our trustees as not just sponsors, but as true partners who share our mission to educate, connect, and elevate Hispanic professional businesswomen. This trustee program is a unique opportunity for those who believe in our cause to engage directly with our work.

By becoming a trustee, you not only contribute to our cause, but you join a network of like-minded individuals dedicated to fostering diversity, inclusion, and the progress of Hispanic women in the professional realm. Your support will enable us to expand our reach, strengthen our services, and impact even more lives.

Join us in shaping a future where every Hispanic woman in Central Florida has the tools, opportunities, and support to excel in her professional endeavors. Together, we can bring about meaningful change and continue to break barriers for Hispanic women in business.
